When treatment has terminated (completion / non compliance), a discharge summary is completed. If you are not present to receive the discharge summary, you may call 703-369-8055 (option 2) to have a copy made available to you. It will be necessary to complete a consent to release information and to show positive proof of identification to receive the discharge summary.

Please note appointment times carefully. This time is being reserved exclusively for you. If you miss or reschedule an appointment without the 48 hour advance notice, you can be subject to a missed appointment charge. The charges are as follows:

Missed first appointment for evaluation:	\$100.00
Missed medication management session (15-20 minute)	\$50.00
Missed medication management session (45 minute)	\$100.00
Missed therapy session	\$50.00

Keep in mind that insurance companies do not pay for missed appointments and they will be billed to you. It is expected that the missed appointment fee is to be paid before your next session unless you have made prior arrangement with the Billing Coordinator.
